WINGS OF GRACE

Web site: www.VanessaDavisGriggs.com

In Vanessa Davis Griggs' eagerly anticipated sequel to *Promises Beyond Jordan*, Pastor George Landris is back, but this time he's sharing the spotlight with a family of strong-willed, true-to-life women who must struggle to overcome wounded spirits and severed ties. Richly populated with complex, unforgettable characters, *Wings of Grace* is a fresh and engaging novel, Griggs' finest to date.

"Excellent story telling, a unique plot (actually two plots), well developed characters, and a faith message that is both clear and compelling, make this book a page-turner. I enjoyed the story so much. The talented author so skillfully tied the many loose ends together and gives us a beautiful presentation."
